Article 1

Parties to Agreement. This Agreement is made by and between the Rhode Island Department of Elementary and Secondary Education (RIDE) and the party specified in SECTION I A1.

Article 2

Period of Performance. This Agreement will be effective on the starting date as specified in SECTION I A2 and, unless renewed or extended, will expire on the termination date as specified in SECTION I A2. It is understood and agreed by and between the parties that this Agreement covers services to be provided by the Contractor for the period specified in SECTION I A2.

Article 3

Modification of Agreement. This Agreement may be amended or extended by mutual written consent provided that such consent may not be unreasonably withheld, and further provided, that there is a fiscal appropriation for any extension.

Article 4

Contract Officer. The Contractor agrees to maintain close and continuing communication with the RIDE contract officer, as specified in SECTION I A3, throughout the performance of work and services undertaken under the terms of the Agreement. The contract officer is responsible for authorizing all payments made by RIDE to OSHEAN under this Agreement.

Article 5

Project Officer. The project officer, as specified in SECTION I A4, is responsible for coordinating and reporting work performed by the Contractor under this agreement.

#### Article 6

Delays. Whenever the Contractor has knowledge that any actual or potential situation is delaying, or tends to delay the timely performance of work under this Agreement, the Contractor shall immediately give written notice thereof, including all relevant information with respect thereto, to RIDE.

#### Article 7

Service Fees and Billing. This is a fee for services Agreement. In consideration of work and services performed by the Contractor in accordance with SECTION II of this Agreement, RIDE agrees to pay the service fees set forth in Appendix B to the Proposal. Invoices submitted to RIDE shall indicate the Department's total cost and reflect the discounted amount for services pending approval by the Schools and Libraries Division (SLD or E-Rate program) by subtracting the anticipated amount of reimbursement from the charges to RIDE. OSHEAN shall apply for the E-Rate reimbursement directly from the SLD using the Service Provider Invoice Form (SPIF-FCC Form 474). Pricing submitted by OSHEAN is all-inclusive, i.e. there are no charges, surcharges, or taxes, including but not limited to a gross earnings tax, additional to the pricing submitted by OSHEAN. RIDE shall process all invoices within 30 days of date of invoice but regardless of the date of payment of said invoices, the parties have agreed that no late payment charges will be assessed. All payments are provisional pending the final audit by appropriate state and/or federal officials.

#### Article 8

Federal and State Funding Provisions. Funds made available to the Contractor under this Agreement are or may be derived from federal and state funds made available to RIDE. The provisions of Article 7 notwithstanding, the parties agree that there is no commitment or guarantee for a minimum amount or duration of services and that there will be no termination charges or penalty incurred by RIDE if services are reduced or terminated.

It is understood and agreed that in the event that less than full federal funding or other funding is received by RIDE due to the failure of the Contractor to comply with the terms of this Agreement or E-Rate program rules, the Contractor is liable to the State of Rhode Island for an amount equal to the amount of the denied funding. The amount of the denied funding shall be payable upon demand of RIDE.

#### Article 9

Prepayment. Articles 7 and 8 notwithstanding, prepayment will be allowed provided that it is requested and approved under the appropriate mechanism and subsequently accounted for with proper documentation.

#### Article 10

Withholding of Payments. The Contractor shall, in a satisfactory and proper manner in accordance with industry standards, complete all obligations and duties as stipulated in this Agreement. Failure of the Contractor to perform or deliver required work, services,

or reports under this Agreement may result in the withholding of payments by RIDE to the Contractor.

#### Article 11

Termination of Agreement. In the event that either of the parties materially fails to perform its obligations under this Agreement, the other of the parties may terminate this Agreement upon written notification of termination setting forth the nature of the failure to perform said obligations under this Agreement. Prior to termination, the terminating party shall give the other party thirty (30) days to cure the alleged defect or otherwise commence activities designed to remedy the alleged defect.

RIDE may, without cause, terminate this Agreement at any time upon giving sixty (60) days advance notice in writing to the Contractor. The above mentioned sixty (60) days written notice notwithstanding, the State expressly reserves the unilateral right to terminate, amend and /or reduce services and payments under this Agreement, effective immediately upon written notice to the Contractor in the event that the funding underlying the participation of RIDE is eliminated, limited or curtailed.

In the event of termination by either party, finished or unfinished documents, data, studies, and reports prepared by the Contractor under this Agreement, shall be delivered to RIDE. Notice of the effective date of termination will include the reports that must be completed. Within thirty (30) days following termination, the parties shall meet and make available to each other all information and documentation necessary in order to determine the amount of fees due to OSHEAN. No penalties, interest, or indirect or consequential costs or damages shall be owed or paid by RIDE upon termination.

Notwithstanding the foregoing, the Contractor shall not be relieved of liability to RIDE for damages sustained by RIDE by virtue of any breach of this Agreement by the Contractor; and RIDE may withhold payment to the Contractor for the purpose of setoff until such time as the exact amount of damages due to RIDE from the contractor is determined.

#### Article 12

Indemnification and Insurance. The Contractor shall hold harmless and indemnify the State of Rhode Island, RIDE, and their officers, employees, and agents from and against all liability, damage, loss, claims, demands, and actions of any nature whatsoever, including the cost of defending any action (including reasonable attorneys fees), which arise out of or are connected with, or are claimed to arise out of or be connected with any services provided to the State under this agreement. The foregoing provision shall not be deemed to be released, waived or modified by reason of any insurance provided by the Contractor under the provisions of this Agreement. Contractor agrees to add the State of Rhode Island and RIDE as additional insureds

under its general liability policy and to provide RIDE with a certificate of insurance verifying that the State and RIDE are additional insureds under said policy.

#### Article 13

Recordkeeping/Inspection of Records and Reports. The Contractor agrees to keep discrete financial records of billing made under this Agreement;; to make such records available on request to appropriate state and/or federal officials for examination or audit, ensure that audits are conducted in accordance with OMB Circulars A-110 and A-133 if applicable, and to keep such records on file until the final audit of RIDE records under the federal grant funding of this Agreement, or until such time as federal provisions permit the records to be discarded. All management correspondences that accompany audit reports must be sent to RIDE. If a client served by this contract is charged for service, the Contractor must report this income.

#### Article 14

On-Site Inspection. The Contractor agrees to permit on-site reasonable monitoring, evaluation, and inspection of all activities related to this Agreement by officials of the RIDE, its designee, and, where appropriate, the federal government.

#### Article 15

Partnership. #### Article 16

Severability. If any provision of this Agreement is held invalid, the remainder of this Agreement shall not be affected thereby if such remainder would then continue to conform to the terms and requirements of applicable law.

#### Article 17

Proprietorship. OSHEAN shall retain title to all OSHEAN equipment and fiber, and all related wiring.

#### Article 18

Publicity. The Contractor will give due credit to RIDE and the appropriate state and/or federal agencies. RIDE will be credited on all media announcements, billboards, and educational materials produced or developed under the scope of this Agreement. RIDE will give due credit to the Contractor on all media announcements, billboards, and educational materials produced or developed under the scope of this Agreement. RIDE and OSHEAN agree to negotiate in good faith to develop a mutually-acceptable press release with respect to this Agreement.

#### Article 19

Interest of the Contractor. The Contractor covenants that it presently has no pecuniary interest and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed.

#### Article 20

Civil Rights. The Contractor agrees to abide by applicable provisions of Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975 (P.L. 94-135, Title III); the Americans with Disability Act of 1990 (P.L. 101-336); and all other applicable federal and state laws relating to equal employment opportunities. The Contractor asserts that no person shall, on the grounds of race, color, national origin, religion, sex, age, political belief, sexual preference, or handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activities undertaken in behalf of this Agreement. In addition, the Contractor agrees to establish a procedure for complaint from any person who believes that such discrimination is being practiced in any activity relating to this Agreement.

#### Article 21

Drug Free Workplace Policy. The Contractor agrees to maintain and enforce its Drug Free Workplace Policy. The Contractor acknowledges that a violation of the Drug Free Workplace Policy may, at RIDE's option, result in termination of this Agreement.

#### Article 22

Environmental Tobacco Smoke. The Contractor agrees to comply with Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), which requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by the entity and used routinely or regularly for the provision of RIDE day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by federal grant, contract, loan or loan guarantee. The law also applies to children's services that are constructed, operated or maintained with such funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable Federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.

Subcontracts. RIDE agrees that OSHEAN may use the subcontractors identified in its proposal, and OSHEAN agrees that it assumes full responsibility for any payments owed to any subcontractor(s).

#### Article 24

Department of Administration's Approval. This Agreement shall take effect upon the issuance of a purchase order by the Department of Administration's Division of Purchases.

#### Article 25

Licensure/Certification. The Contractor shall have any and all licenses necessary to operate his/her facility in place prior to the start date of this Agreement and for the duration of the contract period. Further, all personnel delivering RIDE services shall be licensed/certified and/or registered as required by law.

#### Article 26

Lobbying. All Contractors must comply with all federal laws restricting and/or limiting lobbying activities of recipients of federal funds including, but not limited to 31 U.S.C. Section 1352 and Section 503 of the Departments of Labor, RIDE and Human Services, and Education, and Related Agencies Appropriations Act (Public Law 104-209).

#### Article 27

##### Incorporation by Reference and Interpretation

The State Purchasing Act, the State Purchasing Regulations and the State of Rhode Island Office of Purchases General Conditions of Purchase are incorporated herein by reference, hereinafter collectively referred to as the State's General Conditions of Purchase. This Agreement consists of the following contract documents: (a) this Agreement; (b) the Proposal; and (c) the RFP and Purchase Order, all of which may be collectively referred to throughout this Agreement as "Contract Documents." In the event any conflict shall arise among the provisions of the foregoing documents, said conflict shall be resolved by giving priority to the documents in the order set forth above.

#### Article 28

Laws of Rhode Island and Venue. It is expressly agreed by the Parties that this Agreement shall be governed by the laws of the State of Rhode Island. Jurisdiction and venue for any and all legal actions, whether arising in law and/or equity, shall be brought in the Rhode Island Superior Court, in, with, and for the County of Providence, State of Rhode Island.

#### Article 29

Warranties Except as provided herein, there are no other agreements, warranties or representations, express or implied either in fact or by operation of law, statutory or otherwise, including warranties of merchantability and fitness for a particular purpose, relating to the services.

Services provided are a best efforts service and OSHEAN does not warrant that the services, equipment or software shall be error-free or without interruption. Internet

speeds will vary. OSHEAN makes no warranty as to transmission or upstream or downstream speeds of the network.

#### Article 30

E-Rate. RIDE shall apply annually to the Schools and Libraries Division, "SLD" for E-Rate funding and RIDE shall designate OSHEAN as its provider of Services. RIDE shall also provide OSHEAN with all documentation that is in response to all queries, inquiries and requests as part of the Program Integrity Assurance (PIA) process within three (3) business days of receipt and/or delivery thereof. RIDE also acknowledges that increases and decreases in funding for Services may occur from the SLD. If RIDE is denied or loses SLD funding for any reason, including but not limited to having its funding rescinded for defects in its application or filing of forms, RIDE is responsible for full payment for Services and OSHEAN may elect to decrease or discontinue the level of Services provided to RIDE if full payment is not received. This is an Agreement for Services only and is not a construction contract.

#### Article 31

##### Regulatory Authority-Force Majeure

This Agreement and the obligations of the parties shall be subject to modification to comply with all applicable laws, regulations, court rulings, and administrative orders, as amended. In no event shall either party have any claim against the other for failure of performance if such failure is caused by acts of God, natural disasters, including fire, flood, or winds, civil or military action, including riots, civil insurrections, acts of terrorists, or the taking of property by condemnation. RIDE agrees that state and federal regulations may apply to OSHEAN Services and that, in the event of any change to such regulations, OSHEAN Services must be consistent with, and RIDE's use of OSHEAN Services must be consistent with, such regulations.

#### Article 32

##### Assignment

RIDE may not assign or transfer any part of this Agreement without the prior written consent of OSHEAN, which shall not be unreasonably withheld. OSHEAN may assign this Agreement without RIDE's consent (i) to any corporation or other entity that controls, is controlled by or is under common control with OSHEAN (an "Affiliate"); (ii) to any corporation or other entity resulting from a merger, acquisition, consolidation or reorganization of or with OSHEAN; or (iii) in connection with the sale of all or substantially all of the assets of OSHEAN. Service may be provided by one or more Affiliates.

#### Article 33

##### Resale of Service

The Services covered by this Agreement are for RIDE's use and those members of RIDE's network consortium only. Unless authorized in writing by OSHEAN, RIDE may not resell any portion of the Services to any other party.

## **SECTION II**

### **I. BACKGROUND/OVERVIEW/PURPOSE:**

In 2003 the General Assembly enacted the "Rhode Island Telecommunications Educations Access Fund" ("RITEAF"), codified in RI General Laws, Section 39-1-61, which was established to provide a funding mechanism to provide a basic level of Internet connectivity for all the qualified schools (K-12) and libraries in the state.

The Rhode Island Department of Elementary and Secondary Education (RIDE) and the Library network operate a high-speed wide area network funded by the RITEAF and the Universal Services Administrative Services (USAC) Program known as E-rate. Through relationships with consortia serving each type of entity RIDE strives to provide equitable access to network services for all school or library sites regardless of location. The network is comprised of a wide range of data circuits inter-connected to create a robust information infrastructure. The Department and the Libraries have a full range of applications that can benefit from the services specified in this RFP including LAN inter-networking, IP-based video-conferencing, and a variety of services that move across these networks.

Also, in 2009 RIDE was awarded a \$75 million grant from the US Department of Education called Race to the Top (RTTT). RTTT will cause a significant change to the volume of data collected from schools and districts in Rhode Island. RIDE is determined to secure the most advanced technological capabilities for districts enabling them to meet these new requirements.

### **II. SCOPE OF THE WORK:**

OSHEAN agrees to provide RIDE with Digital Data Services at all available speeds using a variety of network technologies which might include Frame Relay (FR), Asynchronous Transfer Mode (ATM), Ethernet, Fiber Optics, SMDS, or any substantially equivalent data transport services at data rates from 15 Mbps to 10 Gbps, or greater, to support telecommunications needs of the K-12 public and private schools, the public and selected private libraries, and consortia serving the needs of such entities. The Services will be provided as described in the OSHEAN Proposal dated November 22, 2013 with the exception of any modifications described in Section 1 A 6. OSHEAN will provide these high-speed data circuits at the sites listed in Appendix A.

### **III. PAYMENT TERMS AND RENEWAL:**

**Service Start Date and Term:** This Agreement shall be effective upon execution by the parties. Services shall be provided for the term of 7/1/14-6/30/15 as set forth in Section 1 A 2 of this Agreement. Services shall begin upon installation and acceptance by RIDE. If any site is not complete by July 1, 2014, OSHEAN will utilize the existing HFC network services until fiber builds are complete for that location. If OSHEAN fails to provide the Services required by this Agreement by 7/1/14, then for each day that

OSHEAN is late, OSHEAN will pay RIDE 1/30<sup>th</sup> of the difference between the RITEAF budgeted dollars for the OSHEAN awarded services not installed and the prior carrier's monthly charge until the installation of the Services. Service quantities and service levels selected on Appendix B represent RIDE's intended service orders. OSHEAN understands that the quantities and service levels may vary. All billing will reflect actual levels and amounts of service.

Except as provided in Section 1 A 6 "Other Special Conditions" in no event shall the total monthly payment to OSHEAN by RIDE under the terms of this Agreement exceed the monthly total listed in Appendix A.

#### **RENEWAL**

RIDE, in its sole and exclusive discretion, reserves the right to renew this Agreement for four (4) periods of one (1) year unless terminated earlier as herein provided.

RIDE's exercise of its option to renew this Agreement will be conditioned upon:

- 1) RIDE's determination that there has been adequate performance, including full compliance with the terms of this Agreement and
- 2) RIDE's determination either that (a) the pricing provided for in Year 1 has remained competitive in nature or (b) lower pricing offered by OSHEAN as part of its renewal request is advantageous to RIDE

OSHEAN may submit a Contract Renewal request no later than November 1<sup>st</sup> of each year to RIDE's Division of Fiscal Integrity and Efficiencies for its review and acceptance. After RIDE's acceptance, a fully-executed copy of the renewal of this Agreement will be submitted to RIDE no later than January 1<sup>st</sup> of each year

Annual renewals are contingent upon adequate, continued funding from both the State RITEAF and Federal E-Rate programs. It is understood and agreed that in the event that less than full federal funding or other funding is received by RIDE due to the failure of the vendor to comply with the terms of this agreement or E-Rate program rules, the vendor is liable to the State of Rhode Island for an amount equal to the full amount of the denied funding. The amount of the denied funding shall be payable upon demand of RIDE.
